### KU 2020 Pledging

#### Open Infrastructures

#### Open Research Library

**Basic Library Membership**
- Your central hosting platform for academic OA content, offering user-friendly access to tens of thousands of books and other types of scholarly content from a variety of sources
- Gives institutions one single target to index OA content, for seamless and freely access
- Libraries investing in the ORL contribute to the development and maintenance of a dedicated infrastructure for fast, unobstructed access to valuable scholarly content

**Premium Library Membership**
- As per the Basic model with additional customised features for Premium Member libraries
- Admin features allow Premium Members to customise ORL views to meet the needs of their target communities
- Such as a branded microsite and customised content display

#### OAPEN

**Library Membership**
- OAPEN provides a dedicated infrastructure to support the discoverability of OA books
- Member libraries make possible the vital work of OAPEN and DOAB for libraries, scholars and the general public, to provide free and unrestricted access, improve discovery, and preserve scholarly books
- Benefits include benchmark reports and MARC21 Records creation

#### KU Open Analytics
- KU Open Analytics harmonizes different usage reports
- Combines multiple sources to generate a unique overview of which content is being used at your institution
- Institutions can easily combine their Institutional Repository stats, COUNTER reports, and other usage data into one consolidated version
