

# Current Issues

## 1 KU Focus Collection 2023: Climate Change

- Features cutting-edge books from publishers such as Emerald, Ohio University Press, Taylor & Francis and others. A provisional title list is available.
- Last year KU introduced the first KU Focus Collection, which was on the topic of Climate Change and which proved to be a great success.
- Once more this is a special collection containing 20 frontlist (unlatching in 2023) books from several publishers around one single topical, cutting-edge theme chosen by librarians.
- Titles selected by the KU Selection Committee 2022.

## 2 KU Focus Collection 2023: Global Health

- Features cutting-edge books from publishers such as University of London Press, AOSIS, Taylor & Francis and others. A provisional title list is available.
- For this year we once again asked librarians for their feedback. The majority of participants were in favour of two Focus Collections, on Climate Change again and also on one other topic. The most popular topical choice this time was Global Health.
- A special collection containing 20 frontlist (unlatching in 2023) books from several publishers around one single topical, cutting-edge theme chosen by librarians.
- Titles selected by the KU Selection Committee 2022.

## 3 Latest Thinking on the Climate Action SDG 2023

- LATEST THINKING envisions to broaden the impact of scholarly works. Their independent Open Access platform provides video summaries of research findings covering all academic fields.
- All original videos are based on peer-reviewed academic publications and brought to you by the authors in person via a video player which navigates users through the scholar's flow of ideas.
- Help support the funding of 20 new videos per year in the highly topical area of Climate Action. Your funding will help to ensure that more high-quality, up-to-date videos on the latest research are freely available to users all around the world.
