

Business & Economics

1 Emerald Publishing Responsible Management and the SDGs 2023-2025

- Features books from the fields of business and management, HR and organisation studies, economics, tourism and hospitality, property management and built environment, and other related fields.

- All titles in the package will have a distinct focus on responding to and achieving the United-Nations' Sustainable Development Goals, with a particular focus on SDGs 8 (Decent Work and Economic Growth), 9 (Industry, Innovation and Infrastructure), and 12 (Responsible Consumption and Production).

- Key topics include: diversity, inclusion and gender and racial equity in the workplace; sustainable supply chains; supporting economic growth in developing countries; ending forced labour, modern slavery, and human trafficking; and more.
